

Pipe Cutting Machine LSQ-219

suitable for cutting pipes quickly, cleanly and with minimal effort.
the height adjusted by the jack.

Power: 750watt, voltage: 220V 50-60HZ

Size: 2"-8"

Weight: 82/65kg

Meas.: 82X66X65cm

Pipe Cutting Machine LSQ-325

suitable for cutting pipes quickly, cleanly and with minimal effort.
the height adjusted by the jack.

Power: 750watt, voltage: 220V 50-60HZ

Size: 2"-12"

Weight: 115/146kg

Meas.: 90X70X67cm

ROLL GROOVERS

Roll grooving machine LSG-219

LSG-219 is capable of grooving up to 8" standard wall pipes
Power: 750Watt, Voltage: 220V 50-60HZ
Spindle speed: 24RPM
Steady and quiet during working

Specifications:

Capacity: 2"-8"

Weight: 145/135KGS

Meas:80x46x81cm

Standard equipment:

1 set of 2"-6" Roll set

1 set of stand

ROLL GROOVERS

Roll groovers LSG-325

LSG-325 is capable of grooving up to 12" standard wall pipes
Power: 750Watt, Voltage: 220V 50-60HZ
Spindle speed: 24RPM
Steady and quiet during working

Specifications:

Capacity: 2"-12"

Weight: 145/135KGS

Meas:80x46x81cm

Standard equipment:

1 set of 2"-6" Roll set

1 set of 8"-12" Roll set

1 set of stand
